TECHNICAL SKILLS

Programming Languages: Java, JavaScript, HTML5, CSS3, SQL

FrameWorks / Libraries: Bootstrap, JDBC, Swing, Java Servlets

Coursework: OOPS , DBMS , Multithreading, Data structures and Algorithms

Tools and Version Control: VS Code, Eclipse, Apache Tomcat, Netbeans, Github , Sql Workbench, Postman

Coding Profile: [Leetcode](#)

WORK EXPERIENCE

Amstech Construction Pvt. Ltd. – Java Developer Intern

March 2025 – August 2025 | Indore, India

Designed and deployed a fully responsive personal portfolio website leveraging HTML5, CSS3, and modern JavaScript (ES6+), enhancing understanding of responsive UI design principles. Gained experience in the full application lifecycle (design, development, testing, and documentation) for backend services, ensuring code adherence to established software engineering standards.

ACADEMIC PROJECTS

Weather Web Application | Java, Servlet, JSP, HTML, CSS

Built a dynamic web-based Weather Application using Servlet and JSP following MVC architecture. Integrated a weather API to fetch real-time data and deployed the application on Apache Tomcat with proper form handling and server-side validation.

AI Email Reply Generator | Java (Spring Boot), React.js, Chrome Extension, Gemini API

Developed an AI-powered Email Reply Generator that automatically creates context-aware email responses directly within Gmail using a custom Chrome Extension. Built a full-stack application with a Spring Boot backend and React.js frontend, integrating the Gemini API for intelligent text generation. Implemented RESTful APIs, asynchronous communication, and dynamic DOM manipulation to inject AI-generated replies into the Gmail compose interface. Ensured seamless user experience with real-time response generation, tone customization, and secure API handling. Applied OOP principles, MVC architecture, and modern web technologies to deliver a scalable and modular solution.

EDUCATION

B.Tech, Computer Science and Engineering

2022-2026

Institute of Engineering and Science IPS Academy, Indore.

8.2 CGPA

CERTIFICATE

- 1) Advanced Java – Udemy 2) UI/UX Fellowship Program – Metvy 3)
NPTEL – DBMS
